Basic Life Support (BLS) , American Heart Association	2026

EDUCATION

University of Central Florida	May 2027
<i>Bachelor of Science in Biomedical Sciences, Minors in Public Health & Psychology</i>	GPA: 3.91/4.0
Relevant Coursework: Human Anatomy, Physiology, Microbiology & Lab, Biochemistry, Genetics, Immunology	

CLINICAL & RESEARCH EXPERIENCE

Imaging Services, Lakeview Regional Medical Center	Winter Park, FL
<i>Hospital Volunteer</i>	May 2025 – August 2025

- Escorted outpatients to imaging appointments and answered family questions to ease pre-procedure nerves.
- Helped patients move safely through the department following fall prevention and mobility precautions.
- Cleaned wheelchairs and kept waiting areas tidy in line with the hospital's infection control rules.

Seminole Heart & Vascular Clinic	Sanford, FL
<i>Physician Shadowing – Cardiology</i>	August 2026 – Present

- Shadowed a cardiologist through outpatient follow-ups and inpatient consults, observing physical exams, patient teaching, and how the care team coordinates chronic heart failure management.
- Observed stress tests and echocardiograms in the cardiac lab, noting patient preparation, continuous ECG monitoring, and how nurses and sonographers hand off between steps.

Department of Emergency Medicine, Orange County General Hospital	Orlando, FL
<i>Physician Shadowing – Emergency Medicine</i>	July 2026

- Shadowed an emergency physician in a Level II trauma center, observing triage, bedside assessments, and trauma activations during busy evening shifts in the main department.
- Observed handoffs, repeat vital checks, and closed-loop communication among the emergency care team.

Proteomics Core Facility, University of Central Florida	Orlando, FL
<i>Lab Research Assistant - Sample Preparation</i>	August 2026 – Present

- Remove high-abundance proteins from serum samples, run SDS-PAGE gels, and prepare tryptic digests.
- Follow standard operating procedures, aseptic technique, and chemical safety rules to keep samples clean and the shared benches ready for the next user.

Department of Surgery, University of Central Florida	Orlando, FL
<i>Undergraduate Researcher</i>	May 2026 – Present

- Review studies linking diet quality, food access, and chronic disease outcomes, and clean clinical datasets in R to explore those links for the lab's next paper.

COMMUNITY SERVICE & LEADERSHIP

Harvest Table Food Pantry	Orlando, FL
<i>Food Bank Volunteer</i>	August 2026 – Present

- Sort, inspect, and pack donated food under safety and quality standards for delivery to partner pantries.

Oviedo Neighbors Helping Neighbors	Oviedo, FL
<i>Community Outreach Volunteer</i>	May 2025 – December 2025

- Organized pantry stock and handed out essentials to families in need during weekly distribution days.

UCF Vietnamese Student Association	Orlando, FL
<i>Vice President of Internal Affairs</i>	April 2026 – Present

- Lead board check-ins, settle conflicts, and keep communication flowing across a twelve-person executive board.
